

Chapter One

Programs for Selected High Schools

More than 124 Oregon high schools have specific scholarships associated with them

If you are a graduating high school senior OR a graduate of any of the high schools listed below, you may already be in the running for at least one of the scholarships in Chapter One. OSAC will determine if you are eligible for any Chapter One scholarships based on the information you provide on your application form. Make sure that:

- You have written your high school name and **correct high school code** in Item 2 of the application form,
AND
- In Item 9 of the application, **write only once “950”** for code number and **“Chapter One”** for scholarship name.

BUT DON'T STOP THERE!

Read through *all* the descriptions in Chapter Two and view the list for Chapter Three to see if other programs may apply to you.

Thank you, to the many people working to make scholarships possible!

Thank you, Donors!

Donors have established more than 370 individual scholarship programs at the Oregon Student Assistance Commission. For 2007-08, the agency helped administer more than 3,500 scholarships with awards totaling more than \$14 million.

Thank you, Counselors and Advisors!

We are also grateful to the high school and college counselors, ASPIRE Advisors, and many other volunteers whose dedication and hard work have made it possible for many Oregonians to successfully apply for OSAC scholarships.

Thank you, Scholarship Partners!

In addition to numerous scholarship programs initiated by individual donors across the state, the OSAC scholarship catalog contains more than 250 programs based on funds held by major Oregon scholarship partners. The Oregon Student Assistance Commission owes special thanks to the scholarship contributions of The Ford Family Foundation, The Oregon Community Foundation, the U.S. Bank, Wells Fargo Bank, and the Bank of America.

If you are interested in establishing a scholarship program or wish to know more about scholarship investment possibilities in Oregon, call 1-800-452-8807.

Attention high school students!
Check with your counselor to see if your school has an ASPIRE Program.
ASPIRE provides trained volunteers who will help you plan for your education after high school.
Visit www.aspireoregon.org for more information.
